

ROTARY NOMADS

Meeting Dot Points

03 September 2014

- Camilla – “Behind the Badge” talk. Very informative. Overview of her interesting life & why she joined RAN. Greg also thanked her for all work put in organising Badges & shirts.
- Peta - RAN BBQ, e-mail coming with meeting area details - 10 nomads so far.
- Mary Hu. - overview on Australian Camp Oven Festival, Millmerran. Allen and Mary were visiting area, offered to help out. Held every 2 years; approx 1400 caravans, motor homes, day trippers. Both going on 19 Sept to help set up for 4-6 Oct when festival on. Mary will market RAN while there. Mary will e-mail details to Greg, who will to see if we can become involved in future.
- Greg said advertising for RAN out in last 3 days. So far 15-16 calls interested in joining, with 3 calls per day with expressions of interest. Also looking into possible involvement for RAN in Henley on Todd for 2015.
- Greg & John looking at Broken Hill as venue for 1st possible Ran club meeting about March 2015.
- Neil H suggested *Dot Points* be done on monthly basis by rotating members, who know they will be in town & thus share workload.
- Barbara suggested instead of every member giving what happened in *My Week* talk, that as we get more members, it will become more difficult to accommodate all members, & suggested we rotate through a few members every week.
- Paul suggested we either try to get guest speaker or *Behind the Badge* speaker every week. At this point Greg asked Mary Hend. to be next *Behind the Badge* speaker
- Greg asked members to think about fund raising ideas if in future we need cash to donate to a cause. Barbara thought that instead of fund raising that members could maybe donate \$5.00 or \$10.00 per month as this would be less hassle than long distance fund raising.
