- Greg & John talked about PRC possibilities:
 - Broken Hill early March late April 2015
 - Gympie Muster late August 2015. Event is not run by Rotarians, by Lions.
 - Archerfield RC Golf Day 30/10/14
 - Alice Springs – Henley on Todd August 2015
 - Events are not about numbers, but about helping
 - Broken Hill 2 club events / motor bikes /cars in March?
- Open discussion
 - Neil – call them Partner Organisation instead of PRC's as this will incorporate other service clubs & communities; Look at tasks RANs can do given our age, demographics & safety; Sharing profits – don't agree. We need to get on board first; Archerfield RC golf day - great PR for Nomads
- General Comments
 - We can't do major events with under 3 months notice.
 - Maybe no funding yet as long as we get RAN credited when money distributed i.e. "thank you to the Rotary Nomads for xyz"
 - Greg announced gave committee member roles leading up to charter.
