2015 / 2016 Board Reports.

Geoff spoke about various membership issues discussed and dealt with by the Board.

Not a lot of interest regarding 20x20cm van stickers – the club will not be proceeding with these. Wayne will be asked if he can provide a quote for bumper stickers.

Club Dues – Discussion followed the presentation of the 2016/2017 club dues. Copy of the proposal had been sent out with the agenda. Dues have gone up by \$60.00 but the club will subsidise members to the tune of \$40.00 each. All members present felt happy with this approach to the dues.

Colin spoke re administration. Club is travelling along well. New meeting agenda looks good.

Meg spoke about membership. Possible new member Clair was on line to see how things are done. A further 3 prospective members have indicated interest to Geoff.

Robin spoke re fund-raising. Thanked everyone for their support over last couple of years.

John spoke on service – His report had been circulated

Phil (Treasurer) apologised that he was unable to give a full report as he was currently on the road.

Jokers Wild - Now being run by Gary Latcham. It would appear that we are back asking questions, IS THE JOKER IN THE PACK, as both Allen Hunter and Robin Bailey both had their names drawn with no result. Next week should see the kitty at \$60.00.

New 2016/2017 Board to be acknowledged at next meeting.
